

EXTERNAL ADVERTISEMENT SIYATHEMBA YOUTH HEALTH PROGRAMME

loveLife is looking to recruit young people aged 20 – 25 to implement loveLife's Youth Health programme at Y-Centres, Schools and Health facilities. Youth Health groundBREAKERs will be appointed on a contract of 1 year ending 2018. Their main activities will include mobilising youth to access health services, facilitating comprehensive sexuality education programmes, events coordination and activation, capacity building and mentoring of volunteers, mobilising communities as well as monitoring and reporting. The successful applicant will be required to fulfil the following primary functions in a youth driven and professional manner:

- Implement loveLife's Youth Health programmes with 10 to 24 year old youth at health facilities, Y-Centres and/or schools in the community
- Mobilise young people to access healthcare services across health facilities
- Map services in the community for youth and refer them to relevant services when or if required
- Recruit, train, support and mentor volunteers known as health champions
- Drive event coordination for all Youth Health events
- Conduct all Results Based Monitoring activities using the prescribed tools, processes and systems
- Provide data collection support for all appropriate loveLife research initiatives
- Be committed to personal development and growth
- Manage programme resources
- Implement Youth Health programmes (Modular Programmes in schools, BFDs, Youth Festivals, Campaigns, etc.)
- Recruit and Coach team champions
