

PICKING OUT PERFORMANCE

We make a point of recognising success.

**SUPERVISOR CONSTRUCTION (FIXED TERM), KUMBA IRON ORE,
KOLOMELA MINE, NORTHERN CAPE**

BAND 7.8

Kumba Iron Ore is a world leader in the mining and supply of the highest quality iron ore to the global steel industry. With haematite reserves of more than a billion tonnes, we're a growing South African company and the fourth largest supplier of seaborne iron ore in the world. A part of Anglo American, we are helping to build the leading global mining company

The purpose of the role is to coordinate and supervise a production team and contractor group to ensure that operational targets are met. You will also ensure that infrastructure is in place for the mining operation such as haul roads and signage.

To be considered, you need a Grade 12/N3, Opencast Blasting Certificate, Comp A Certificate and 3 years' mining production experience. A Code 08 driver's licence and computer literacy are essential.

Ref. K723782

Make the most of your career with Kumba Iron Ore Ltd and apply online at www.angloamerican.com/careers before 13 March 2018. Internal applicants can apply online via Eureka.

Appointment will be made in line with Employment Equity considerations.

If you do not receive feedback from us within 6 weeks of the closing date, please consider your application unsuccessful.

Real Mining. Real People. Real Difference.
