

PPC Lime, one of the world's largest lime producers, operates a processing plant and mining operation at Lime Acres, some 170km west of Kimberley. Lime Acres has a population of approximately 7000 people and offers a primary school, library, shopping centre, medical facility and sport and recreation facilities. PPC Lime currently has a vacancy for:

Plant Engineer - Mobile Equipment

MINIMUM QUALIFICATION:

- Applicants who are in possession of a B Eng/ B Sc/ B Tech degree in Mechanical or Electrical engineering who are motivated by exceptional challenges are invited to apply. A Government Certificate of Competency (MHSA) is a requirement for this position.

EXPERIENCE/KNOWLEDGE:

- Applicants must have at least five years plant experience in a heavy industrial environment; experience of heavy earthmoving equipment maintenance; the ability to develop a work team; in-depth knowledge and understanding of open cast mining processes; in-depth knowledge of the Mine Health and Safety Act (MHSA) & (OHSAS 18001) and environmental requirements as applicable to the mining and manufacturing industry are basic requirements for the position. Applicants should be well versed in terms of preventative maintenance systems on TMM's (Trackless Mobile Machinery) and other secondary production equipment. This position requires a result driven individual with analytical skills and the ability to provide direction to the maintenance teams responsible for mobile equipment maintenance and optimisation.

RESPONSIBILITIES

- PPC Lime values the health and safety of all its employees and is committed to provide a safe work environment. This energetic individual will ensure optimal performance of earthmoving and plant equipment (availability and reliability capacity) in a sustainable, cost effective way through a competent motivated workforce; compliance to all relevant legal requirements and internal standards; optimal cost and capex planning, execution and control; safe operation of plant and equipment; managing highly motivated maintenance teams; root cause analysis; continuous improvements and innovation.

All applications will be considered in accordance with the PPC Lime Employment Equity plan and mobility within the PPC group is a requirement.

If you are energetic, willing to go the extra mile and able to work independently, this is an excellent opportunity to become part of one of South Africa's leading companies.

PPC Lime offers a competitive remuneration package and excellent fringe benefits.

Please forward a comprehensive CV to the Human Resources Manager via fax to e-mail: **086 683 3376** or email to **Wilna.Gilbert-Cloete@ppc.co.za**.

If you are not contacted within two weeks after the closing date of this advertisement, please regard your application as unsuccessful.

Closing Date: 6 April 2018
