

PPC Lime, one of the world's largest Lime producers, operates a processing plant and mining operation at Lime Acres, some 170km west of Kimberley. Lime Acres has a population of approximately 5000 residents and offers a primary school, library, shopping centre, hospital/clinic and excellent sports and recreation facilities. PPC Lime currently has a vacancy for:

BOILERMAKER

Applicants must be in possession of:

- N3 + Trade Test Certificate – Boilermaker
- Valid Drivers Licence
- >3 years experience in a heavy industrial engineering environment
- Optimise availability and reliability of the Mobile Equipment
- Good interpersonal skills
- Ability to work alone and in a team
- Willingness to assist in additional tasks on hand
- Ability to adhere to systems and authority levels(BCEA)
- Ability to adhere to legitimacy within his/her area of responsibility (MHSA)

Employment will combine the principles of both PPC's Employment Equity and Succession Policies. If you don't hear from us within 3 weeks from the closing date please consider your application unsuccessful.

Please forward a comprehensive CV to Martin Arendse via e-mail to martin.Arendse@ppc.co.za / ppc.recruitment@ppc.co.za

Closing Date: 8 June 2018
