

MAKING A DIFFERENCE FROM THE GROUND UP

South32 is a distinctive business with a leading presence in the global market. Our operations span multiple continents and offer an excellent platform for those seeking to fast-track their career. Join our dynamic business and become part of the South32 Group.

South Africa

Mamatwan Mine, Northern Cape

Operator: Mobile Equipment (Ref. 781460)

The equipment you will work on include a Wheel Dozer, Track Dozer, Operator Hauler, Mobile and Static Rock Breakers and Grader, based on operational requirements. You will ensure compliance with the South32 commitment to Zero Harm and will play a key role in safely loading, hauling, dumping, dozing and pecking activities in the Mamatwan mining area. You'll participate in investigations into workplace incidents, conduct pre-use inspections, routine inspections and report defects, and we'll need you to report any unsafe behaviour, conditions and incidents to the responsible person. It will be important to keep mobile equipment clean and in a good condition at all time. Those living South32 values and performing work within this ambit will be most welcome to apply.

Serious contenders will have Grade 12 with Mathematics or Grade 10 (internal candidates) and minimum 1 year's experience in operating mobile equipment in a mining or plant environment. An Equipment Licence on either Excavator, CAT Hauler 777, Cat Loader 992, 980, Grader or CAT dozer D8, D10 is essential. You will also need a valid Code B driver's licence.

Operator:

Mobile Equipment Relief (Ref. 781478)

Ensuring compliance with the South32 commitment to Zero Harm, you will play a key role in safety loading, hauling, dozing and dumping activities in the Mamatwan mining area. You will also participate in investigations into workplace incidents, report any unsafe behaviour, conditions and incidents to the responsible person and conduct pre-use inspections, routine inspections and report defects, Further responsibilities include operating mobile equipment based on operational requirements, keeping mobile equipment clean and in a good condition all the time, operating the different machines based on operational requirements, living South32 values and performing work within South32 values.

Serious contenders will have Grade 12 with Mathematics/Grade 10 (internal candidates) with a minimum of 1 year's experience in operating mobile equipment in a mining or plant environment. Equipment licences on track dozer, excavator and CAT 777 and a valid Code Code B driver's licence are essential.

Administrator: Housing (Ref. 781479)

The purpose of this role is to enforce the Housing Policy, facilitate the acquisition of rental stock, facilitate all tenant moves, follow up on municipal services account payments for rented houses and those in Hotazel. You will also ensure that houses are available at all times for new and proposed tenants, facilitate the housing committee meetings and act as scribe for the housing committee, be responsible for maintaining all housing waiting list and the housing accommodation database and ensure compliance with South32 commitment to Zero Harm and Care Values. You will be responsible for facilitating the associated committee activities, coordinating all housing rental activities, the entry and exit of tenants into company accommodation and the acquisition of all external rental housing in Kuruman and Kathu and for playing a key role in the total administration of company allocated houses at HMM. Ensuring that sufficient housing can be provided in relation to Operational Requirements, managing and maintaining good relationships with external vendors and coordinating and control all housing contracts, conducting field surveys to evaluate special needs and concerns as well as keeping company housing register continuously updated in terms of new arrivals, exits availability and condition of the house.

Serious contenders will have a Grade 12 together with a National Advanced Certificate (2 years) in Administration or an equivalent with a minimum of 1 year's experience in managing housing or housing-related processes. 3 years' experience in managing housing on a commercial scale, experience in estate agency management and contracts management as well as financial management experience would be advantageous.
